Section 7-1. Obstructions Prohibited.

(a) Except as otherwise authorized by statute or ordinance (including Sections 7-15 and 7-16 of this chapter), and except to the extent required by the performance of some function authorized or mandated by a statute or ordinance, no person may obstruct or impede travel in the public streets or sidewalks within the town by placing or leaving any object within the traveled portion of the public right-of-way.

(b) Except as provided in this subsection, subsection (a) applies, but is not limited to goods, wares, or merchandise displayed for sale. Partial obstruction of a public sidewalk for a sidewalk sale is permissible in accordance with a permit issued by the administrator upon a finding that:

- (1) The sale will not extend for more than three consecutive days; and
- (2) The obstruction will take place only during daylight hours; and
- (3) The permit, together with any other permits issued to the same applicant or to other applicants for sale at the same location, will not authorize an obstruction for more than ten days during any 365-day period; and
- (4) The sidewalk will only be partially obstructed in a manner that does not seriously inconvenience the public or threaten the public safety.

(c) If a permit is issued pursuant to subsection (b), no person may cause, suffer, or permit the operation of a sidewalk sale in violation of the conditions set forth in subdivision (b)(1) through (4) or any other conditions attached to the permit.

(d) The town clerk shall charge and collect a fee of Five (\$5.00) Dollars for a permit for each sidewalk or yard sale.

(e) Subsection (a) shall not apply to temporary obstructions caused by persons engaged in construction work on abutting property when proper warning devices are maintained in accordance with Section 7-4.
